To: Unitholders of NetLink NBN Trust

Dear Sir/Madam

1. INTRODUCTION

- 1.1 Appendix.** This Appendix is to provide Unitholders with information on Resolution 4 as set out in the notice of AGM of the Trust dated 24 June 2021 (the “**Notice of AGM**”) convening an AGM to be held by way of electronic means on 19 July 2021.
- 1.2 Resolution 4.** NetLink NBN Management Pte. Ltd., in its capacity as trustee-manager of NetLink NBN Trust (the “**Trustee-Manager**”), is seeking approval from Unitholders at the AGM for the proposed amendment and restatement of the deed of trust dated 19 June 2017 constituting the Trust (as amended and restated by the First Amending and Restating Deed dated 25 July 2018 and as further amended and restated by the Second Amending and Restating Deed dated 28 September 2020) (collectively, the “**Trust Deed**”) to provide for electronic communications of notices and documents to Unitholders, in the manner set out in paragraph 2.2 of this Appendix (the “**Proposed Trust Deed Amendments**”).

1.3 Section 31(1) of the Business Trusts Act, Chapter 31A of Singapore (the “**BTA**”) states that:

“No person shall modify or replace the trust deed of a registered business trust unless such modification or replacement is approved –

(a) by special resolution of the unitholders of the registered business trust; or

(b) where the modification is necessary in order to comply with any written law or rule of law applicable in Singapore, by the trustee-manager of the registered business trust.”

Accordingly, the approval of Unitholders by way of an Extraordinary Resolution¹ is required in respect of Resolution 4 relating to the Proposed Trust Deed Amendments.

1.4 **Legal Adviser.** Allen & Gledhill LLP is the legal adviser to the Trustee-Manager as to Singapore law in relation to the Proposed Trust Deed Amendments.

2. THE PROPOSED TRUST DEED AMENDMENTS AND ITS RATIONALE

2.1 Background

In connection with the amendments to the Companies Act, Chapter 50 of Singapore (the “**Companies Act**”) as set out in the Companies (Amendment) Act 2014 (the “**Amendment Act**”), companies are now allowed pursuant to section 387C of the Companies Act to send notices and documents electronically to their shareholders if the constitution of the company provides for and specifies the manner in which electronic communications are to be used². Further, notices or documents may be sent by way of electronic communications to shareholders with the express, deemed or implied consent of the shareholders in accordance with the constitution of the company³.

On 11 January 2016, the SGX-ST published a consultation paper on the “Listing Rules Amendments to Align with Changes to the Companies Act” (the “**SGX-ST Consultation Paper**”) which, among other things, proposed to allow issuers to electronically transmit certain types of notices and documents if express consent or deemed consent of the Unitholders is obtained and subject to certain safeguards. The purpose of the proposed amendments to the listing rules of the SGX-ST (the “**Listing Rules**”) as set out in the SGX-ST Consultation Paper was to align the Listing Rules with the amendments to the Companies Act which came into effect on 3 January 2016. In addition, the SGX-ST Consultation Paper also requested feedback from the public as to whether listed companies should be allowed to rely on implied consent of Unitholders to electronically transmit certain types of notices and documents.

¹ “**Extraordinary Resolution**” means a resolution proposed and passed as such by a majority consisting of 75.0 per cent. or more of the total number of votes cast for and against such resolution at a meeting of Unitholders convened in accordance with the provisions of the Trust Deed, of which not less than 21 days’ written notice has been duly given. Each Unit shall confer the right to poll at any meeting to one vote, and one vote only.

² The amendment to the Companies Act in relation to electronic communications was introduced to give effect to recommendations by the Steering Committee for Review of the Companies Act to ease the rules under sections 387A and 387B for the use of electronic transmission and to make them less prescriptive. These recommendations were accepted by the Ministry of Finance (“**MOF**”). In accepting these recommendations, the MOF noted the concerns of some shareholders who would prefer to have an option to receive physical copies of the notices and documents, notwithstanding that the company adopts the implied consent regime, and indicated that such shareholders could highlight their concerns when a company proposes amendments to its constitution to move to an implied consent regime.

³ Section 387C of the Companies Act.

Following feedback received by the SGX-ST in response to the SGX-ST Consultation Paper, the SGX-ST amended the Listing Rules to allow listed issuers to electronically transmit certain types of notices and documents with the express, deemed or implied consent of the shareholders (or unitholders, in the case of a listed registered business trust such as NetLink NBN Trust) in accordance with the constituent document of the listed issuer, subject to the safeguards set out in the amended Listing Rules⁴.

Although NetLink NBN Trust is not bound by the Companies Act, it is nonetheless bound by the Listing Rules as a listed registered business trust.

Further, pursuant to sections 92(2) and 93(2) of the BTA, any notice of a meeting and any documents required or permitted to be given, sent or served under the BTA or under the trust deed of a registered business trust by the trustee-manager of the registered business trust may be given, sent or served using electronic communications to the current address of a unitholder of the registered business trust (provided the trustee-manager has no reason to believe that the notice or document will not reach that person), or on a website provided there is agreement in writing. These sections are materially similar to sections 387A and 387B of the Companies Act. However, there is no corresponding provision in the BTA which is similar to section 387C of the Companies Act to allow registered business trusts to (i) send notices and documents electronically to their unitholders if the trust deed provides for this and specifies the manner in which electronic communications is to be used, and (ii) send notices or documents by way of electronic communications to unitholders with the express, deemed or implied consent of the unitholders in accordance with the trust deed. Accordingly, in conjunction with the Proposed Trust Deed Amendments, the Trustee-Manager has also submitted an application to the Monetary Authority of Singapore to exempt the Trustee-Manager from the requirements under the BTA to provide physical copies of certain documents under the BTA. The use of electronic communications by the Trustee-Manager to transmit notices and documents will be subject to the receipt of relevant approval from the Monetary Authority of Singapore. The Trustee-Manager will make an announcement via SGXNet upon receipt of such approval from the Monetary Authority of Singapore.

Consequently, the Trustee-Manager wishes to amend the Trust Deed to adopt certain provisions of the Listing Rules to allow for the electronic transmission of notices and documents.

Electronic Communications Regime

Unitholders would have expressly consented to the use of electronic communications of notices and documents if the Unitholder expressly agrees that notices and documents may be given, sent or served to him using electronic communications (the “**Express Consent Regime**”).

Unitholders are subject to the deemed consent regime in relation to the use of electronic communications of notices and documents if the Trust Deed (i) provides for the use of electronic communications, (ii) specifies the manner in which the electronic communications is to be used, and (iii) specifies that Unitholders will be given an opportunity to elect within a specified period of time (the “**Specified Time**”), whether to receive such notice or document by way of electronic communications or as a physical copy and within that Specified Time, the Unitholder fails to make an election (the “**Deemed Consent Regime**”) ⁵.

⁴ Rules 1208 to 1212 of the Listing Rules.

⁵ Rule 1209(1) of the Listing Rules.

Unitholders are subject to the implied consent regime in relation to the use of electronic communications of notices and documents if the Trust Deed (i) provides for the use of electronic communications, (ii) specifies the manner in which the electronic communications is to be used, and (iii) provides that the Unitholders shall agree to receive such notice or documents by way of such electronic communications and shall not have a right to elect to receive a physical copy of such notice or document⁶ (the “**Implied Consent Regime**” and together with the Express Consent Regime and the Deemed Consent Regime, the “**Consent Regimes**”). In line with the safeguards applicable under Rule 1210 of the Listing Rules, the Consent Regimes do not apply to (i) forms or acceptance letters that Unitholders may be required to complete, (ii) notice of meetings, excluding circulars or letters referred in that notice, (iii) notices or documents relating to take-over offers, (iv) notices or documents relating to rights issues, and (v) notices under Rules 1211 and 1212 of the Listing Rules.

UNITHOLDERS SHOULD NOTE THAT BY APPROVING THE RESOLUTION IN RELATION TO THE PROPOSED TRUST DEED AMENDMENTS, THEY ARE ALSO DEEMED TO HAVE APPROVED TO HAVE THE TRUSTEE-MANAGER ADOPT THE USE OF THE IMPLIED CONSENT REGIME AND THE DEEMED CONSENT REGIME, SUBJECT TO COMPLIANCE WITH ALL APPLICABLE LAWS, RULES AND REGULATIONS, INCLUDING THE LISTING RULES.

2.2 The Proposed Trust Deed Amendments

In connection with the foregoing, and subject to the approval of Unitholders, the Trustee-Manager proposes to amend the Trust Deed in the form of the Proposed Trust Deed Amendments to include provisions regarding electronic communications for notices or documents given, sent or served to Unitholders.

(Details of the Proposed Trust Deed Amendments can be found in **Annex A** of this Appendix.)

2.3 Rationale for the Proposed Trust Deed Amendments

The Trustee-Manager intends to utilise the electronic transmission of documents to give, send or serve certain notices and documents to Unitholders. The Trustee-Manager believes that with the Proposed Trust Deed Amendments, the electronic communications regime set out in the Listing Rules will provide the Trustee-Manager with the flexibility to reduce costs and increase operational efficiency and speed in communications for the Trust, such as ceasing to send physical copies of annual reports of the Trust and the Trustee-Manager since such annual reports are already published on the websites of the Trustee-Manager and the SGX-ST, which is in line with the Trustee-Manager’s sustainability efforts.

⁶ Rule 1209(2) of the Listing Rules.

2.4 Safeguards to Unitholders

In line with the safeguards introduced by the SGX-ST in the Listing Rules, the Trustee-Manager proposes to amend the Trust Deed to adopt the electronic communications safeguards set out therein as well.

The Trust Deed includes the following amendments to safeguard the interests of Unitholders⁷:

2.4.1 Separate Notice to Unitholders before Sending any Notice or Document by Electronic Communications under Deemed Consent Regime⁸

Should the Trustee-Manager implement the Deemed Consent Regime, before sending any notice or document to Unitholders who are deemed to have consented to receive notices or documents by way of electronic communications, the Trustee-Manager will give a separate notice in writing to Unitholders stating that (i) the Unitholders have a right to elect, within a time specified in the notice, to receive notices and documents either electronically or by way of a physical copy, (ii) if a Unitholder does not make an election, notices and documents will be sent to the Unitholder electronically, (iii) electronic communications will be used in the manner specified in the Trust Deed, (iv) the Unitholder may make a fresh election at any time and (v) the Unitholders' latest election to receive notice and documents will prevail over the Unitholders' earlier elections.

2.4.2 Unitholders may Make Fresh Elections under Deemed Consent Regime⁹

In addition, should the Trustee-Manager implement the Deemed Consent Regime, the Trustee-Manager would allow Unitholders to make a fresh election at any time and the Unitholders' latest election as to whether to receive notices or documents by way of electronic communications or physical notice will prevail.

2.4.3 Unitholders may request for physical copy of any Notice or Document sent by Electronic Communications¹⁰

Where the Trustee-Manager chooses to transmit documents by way of electronic communications, the Trustee-Manager will in compliance with the safeguards introduced by the SGX-ST in the Listing Rules inform Unitholders as soon as practicable of how to request a physical copy of that document from the Trustee-Manager, and the Trustee-Manager will provide a physical copy of that document upon such request.

2.4.4 Separate Notice to Unitholders when Making Documents Available on a Website¹¹

Where the Trustee-Manager chooses to transmit documents by making them available on a website, the Trustee-Manager will in compliance with the safeguards introduced by the SGX-ST in the Listing Rules separately provide a physical notice to Unitholders notifying them of (i) the publication of the document on the website, (ii) if the document is not available on the website on the date of notification, the date on which it will be available, (iii) the address of the website, (iv) the place on the website where the document may be accessed and (v) how to access the document (or any further information as may be required in the Listing Rules).

2.4.5 Certain Notices or Documents Excluded from Electronic Communications¹²

In line with the safeguards introduced by the SGX-ST in the Listing Rules, (i) forms or acceptance letters that Unitholders may be required to complete, (ii) notice of meetings, excluding circulars or letters referred in that notice, (iii) notices and documents relating to takeover offers and rights issues and (iv) notices under Rules 1211 and 1212 of the Listing Rules, will not be transmitted by electronic means.

⁷ These amendments are in line with the safeguards in relation to electronic communications set out in Rules 1209 to 1212 of the Listing Rules.

⁸ Rule 1209(1)(b) of the Listing Rules.

⁹ Rules 1209(1)(b)(iv) and 1209(1)(b)(v) of the Listing Rules.

¹⁰ Rule 1211 of the Listing Rules.

¹¹ Rule 1212 of the Listing Rules.

¹² Rule 1210 of the Listing Rules.

3. RECOMMENDATION

Having considered the relevant factors, including the background and rationale for the Proposed Trust Deed Amendments and the safeguards for Unitholders, as set out in paragraphs 2.1, 2.3 and 2.4 of this Appendix, the Trustee-Manager is of the opinion that the proposal would be beneficial to, and is in the interests of the Trust.

Accordingly, the Trustee-Manager recommends that Unitholders vote at the AGM in favour of the resolution relating to the Proposed Trust Deed Amendments.

4. DIRECTORS' RESPONSIBILITY STATEMENT

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Appendix and confirm after making all reasonable enquiries that, to the best of their knowledge and belief, this Appendix constitutes full and true disclosure of all material facts about the Proposed Trust Deed Amendments, the Trust and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this Appendix misleading. The Trust Deed will be available for inspection during normal business hours at the registered office of the Trustee-Manager at 750E Chai Chee Road, #07-03, ESR BizPark @ Chai Chee, Singapore 469005 for so long as the Trust is in existence.

 - (e) the Holder's election to receive notices or documents by way of Electronic Communications or as a physical copy that is conveyed to the Trust last in time prevails over all previous elections as the Holder's valid and subsisting election in relation to all documents and notices to be given, sent or served to the Holder until the Holder makes a fresh election;
